

## Wound Healing Foundation

January 31, 2017

Philip J. O'Neill  
Swiss-American Products, Inc.

Dear Mr. O'Neill:

The Wound Healing Foundation (WHF) and I would like to gratefully acknowledge yours and Swiss-American Products' support of the WHSF Wounded Warrior Athletes initiative by donating all of the products and manufacturing expenses to create Warrior Care Kits in addition to bearing the shipping expense. The 700 and 300 Warrior Care Kits you sent in for the Invictus Games in Orlando, Florida in May 2016 and the Warrior Games in West Point, New York in June 2016, were greatly appreciated by the athletes, coaches and medical cadres far more than their monetary value.

The goal of the WHF initiative was to promote optimal wound and skin care for these military athletes. Your gift supports this important initiative and provides the athletes with permission to take care of their skin. Too often, these wounded, ill or injured service members and veterans are prone to reinjuring their wounds and scars while at their competitions and try to "tough it out".

It was a pleasure working with Swiss-American Products on updating the 2016 Warrior Care Kits. The athletes and their coaches were especially grateful for the kit products. The mission of the WHF is to improve the quality of life for wound healing patients and their families through support of awareness, research and education. Because of your contribution, the WHF was able to provide Warrior Care Kits to Wounded Warrior Athletes from 14 different countries at games here and abroad, facilitate our outreach efforts and raise awareness on the importance of skin care and wound healing. To read more about the WHF Wounded Warrior Athlete initiative, please visit us at: <http://www.woundhealingfoundation.org/programs/WoundedWarriorAthleteInitiative.aspx>. Also, check out our Facebook and social media pages for the latest WHF updates.

We are proud to partner with Swiss-American Products to meet our mission goals and happy to display your logo on the Sponsors page of the WHF website. Thank you again for supporting the WHF Wounded Warrior Athlete initiative and making this a positive and successful effort. Your gift has made an impact on wound healing and skin care for these athletes around the world. Enclosed are a few photos for you to enjoy. The WHF board and I look forward to serving with you again in the future.

Sincerely,

*Laura K. S. Parnell*
